The Mayor and Council of the City of College Park held a Public Hearing on Tuesday, March 8, 2022, to take public comment on the petition request to install a traffic calming device (speed hump) in the 4600 Block of Guilford Road.

Following the Public Hearing, the Mayor and Council approved the installation of a traffic calming device on this block, to be located at the discretion of the City Engineer. The City Engineer anticipates installation by mid-June.
